AWS FULL STACK DEVELOPER | COMPUTER ENGINEER

PROFILE

AWS Full Stack Developer at IBM and licensed Computer Engineer. I build cloud-ready applications across frontend, backend, delivery and infrastructure, with additional experience in applied AI and computer vision. I value secure systems, trustworthy data and practical engineering that can be operated end to end.

EXPERIENCE

IBM - Application Developer | Oct 2025 - Present

Building and improving full stack, cloud-oriented applications with a focus on AWS, maintainable delivery and end-to-end engineering.

IBM - Cloud Fullstack Intern | Mar 2025 - Sep 2025

Part-time cloud and full stack internship focused on programming and Amazon Web Services.

SELECTED WORK

Cashflow Finance Manager

Live full stack finance product with secure sessions, accounts, transactions, investments, analytics, multilingual UI, Telegram onboarding and containerized delivery.

Self-hosted Homelab

Debian and Docker environment for production and staging applications using Caddy, Cloudflare Tunnel, GitHub Actions, GHCR and lightweight monitoring.

Applied AI and Systems

Projects include sargassum estimation, interactive computer vision, facial recognition, process scheduling simulators and compiler analysis.

TECHNICAL CAPABILITIES

APPLICATION	React TypeScript JavaScript HTML CSS Material UI
BACKEND & DATA	Node.js Express REST APIs PostgreSQL MySQL Prisma Python PHP
CLOUD & DELIVERY	AWS Docker GitHub Actions GHCR CI/CD Linux
INFRASTRUCTURE	Docker Compose Caddy Cloudflare Tunnel Portainer Observability
AI & ENGINEERING	TensorFlow PyTorch OpenCV Machine Learning C++ Java C#

CERTIFICATIONS

AWS Certified Cloud Practitioner | Jun 2026 - Jun 2029

Amazon Web Services | Credly badge: 9f2d0cc3-38ff-4f47-81fd-0eb917e23c19

Oracle Cloud Infrastructure 2025 Certified Foundations Associate | Issued Nov 2025

Oracle | Expiration date pending confirmation

EDUCATION

Bachelor of Engineering in Computer Engineering

University of Guadalajara | Aug 2020 - Dec 2024 | Degree completed with professional license

Languages: Spanish | English
